CATALOGUER

OFFICE OF

Geoffrey Charlton Adams,

NUMISMATIST.

NEW YORK, U. S. A.

Cable Address: LAMA.

Dear Sir:

As this is the last Auction Sale that I shall hold 'till September next, I shall briefly call your attention to the following facts. When I started in to hold Auction Sales of Coins, Medals, etc. in New York City, I found the following state of affairs to exist. The Cataloguer's charges were invariable and unchangeable: 25 per cent. for selling and 10 per cent. for purchasing with no discount to any one. To my view of the situation these terms were too high and mitigated largely against the seller as well as the buyer. Though not inconoclasticaly inclined yet I believed that in all common fairness these terms should be reduced and I proceeded to lower them as far as I was concerned. A tremendous howl then arose from those dealers who had entrenched themselves behind the bulwark of high charges, with the solitary exception of Mr. David Proskey, the Dean of All American Numismatists, who agreed with me in my contentions and even was more radically inclined than ever I was. Now as to the result; I have held in New York since that time ten Auction Sales, charging a reasonable commission to both seller and buyer. These Auctions have been largely attended and in very many cases new records have been established. They have also been largely patronized by out of town bidders and have been conducted in a business like manner with no wordy discussion or vexatious delays. I *shall continue to hold Auctions* of Coins, Medals and Books, in New York *along the same lines pursued in the past* without *fear* or *favor* and I invite your cooperation in the future as I have received it in the past. Thanking you in advance, I have the honor to be

Very truly yours

GEOFFREY CHARLTON ADAMS.
